

The Mobile X is a light and robust, dust and waterproof industrial mobile phone with the latest hardware and Android operating system. It is ideal for use in extremely tough conditions because it has been tested under military standards. The lone worker protection function and an inbuilt LED torch, as well as the excellent hands-free function, complete the package. Other useful features include the dual Micro SIM and the expandable memory with MicroSD card. Simple operation and long battery life deliver ultimate convenience, while camera and push-to-talk offer practical advantages in daily use.
